

Library

The library occupies a special place in our learning environment. It is a spacious, airy and well stocked with books on various subjects of kids interest. It has proved to be the prime center of learning. Conscious efforts will be made to inculcate the reading habit among the students.

Fine arts

To nurture and develop the creative aspect of every child the school will impart special training to students in the fine arts section, dance, music, dramatics, drawing and painting etc. These activities will help them to learn our rich culture and traditions.

Co-Curricular Activities

Physical fitness and health education is an integral part of the school curriculum. A specially designed play area with modern play equipments is also available to the tiny tots. A vast green expanse of well maintained lawn is used by the students for playing various outdoor games.

Entertainment Activities

The school arranges puppet shows, dramas, magic shows etc, to provide the students learning through recreation. These activities help the school to know child's interest and develop it further. The student will get opportunity to exhibit their talent by participating in cultural activities and annual social gathering.

Excursions

The School organizes picnics and excursions which helps in overall development and skills of the kids.

Esperto Preschool

Prepare your child for the world

www.espertoschool.com

About School

At Esperto Preschool we work towards exploring inner potential of each child firmly believing that each child is different from other. Our goal is to nurture their curiosity and guide them to explore different things, also help them to acquire skills and instill the joy of learning which would act as the foundation for rest of their career. Our programme incorporate an integrated curriculum that promotes learning through music, arts, crafts, drama, dance, small projects, computer activities, field trips, outdoor games and various allied activities. Esperto Preschool with its innovative approach will certainly lay a firm foundation for your kids forth coming illustrious career.

Aims & Objectives

- Over all dynamic development of the child is the need of the hour.
- Esperto Pre-School Management has designed the curriculum in such a way that the routine of the day includes extra-curricular activities, games , hobbies etc. to nurture the students. This will take every child to a greater height and his/her personal performance towards excellence.
- Safety of every child is the first and foremost priority at Esperto Pre-School. Every child deserves to have a proper shelter and safety during the childhood. We have taken every measure to ensure that our students grow up in the environment that builds confidence friendship, security and happiness, which would be cherished as good old memories in the time to come.

Infrastructure

The high class building of Esperto Pre-School is situated in the lush green surroundings, this inspires children at their early age. The Campus is full of oxygen which helps in the enhancement of students IQ and physical fitness. We are confident and it will not be an exaggeration if we say that our school campus is with zero pollution. The campus is at its highest level in maintaining flora and fauna whispering of various birds and nesting them.

Faculty

It is endeavor and our usual practice at Esperto Pre-School to absorb the best of qualified, experienced and devoted faculties to run the school as per the prescribed curriculum by the authorities. Esperto Pre-School has already identified such persons to join on our board for the incoming fresh academic session. The members on our board will be always available for the guidance to our faculty.

Class Rooms

The classrooms are spacious well-ventilated, well lit and equipped with modern educational amenities. The emphasis is laid on cleanliness and beautification of the class rooms. High class classroom environment will enrich the quality of the teaching-learning process.
